## Hallmark Health Medical Center

## Serving our patients with pride

**State-of-the-art medical technology, outstanding physicians** just minutes from your home. That's what you'll find at Hallmark Health Medical Center in Reading.

This three-story outpatient facility offers the most advanced technology to diagnose and treat medical conditions. The Center features imaging services that include x-ray, ultrasound, bone densitometry and digital mammography. A full-service physical therapy suite, imaging and blood draw suite, diabetes education suite and the Hallmark Health Cosmetic & Laser Center round out the resources that are available.

Any physician can refer a patient to the Center. Physicians do not have to be a member of the Hallmark Health medical staff. Additionally, the Center houses a number of medical offices which offer specialty care such as internal medicine and family practice, cardiology, obstetrics and gynecology, podiatry, pediatrics and gastroenterology. Conveniently located right off Route 128 at 30 New Crossing Road in Reading, Massachusetts, the Center offers free onsite parking, extended hours and a committed staff that will work closely with patients to ensure the highest quality of care and satisfaction.

While most services are available on a walk-in basis with a physician's order, appointments can be made by calling the following numbers:

- Hallmark Health Imaging and Blood Draw Suite:** (781) 213-5100 or Central Scheduling (781) 338-7111
